Paekakariki to Waipukurau
(via Manawatu Gorge)

Travel with Steam Incorporated north from Kapiti via the spectacular Manawatu Gorge for a big day out to the Central Hawkes Bay Region. This is a rare chance to travel on the rail line east of Woodville which opened 130 years ago. The route includes travelling over several viaducts with the highlight being the renowned curved Ormondville Viaduct. We also pass through the restored Ormondville Station Precinct. The first part of the Ormondville Station building was opened in 1880.

The train will be hauled by one of our restored diesel locomotives. Included is an open air viewing platform and a buffet counter selling burgers, sausages, sandwiches, drinks and snacks, and a souvenir counter for all sorts of railway and steam memorabilia. You are welcome to bring your own food onboard.
