Volunteering is a great way to use a skill you already have or gain a new one, we are always looking for volunteers to help in the various roles we have including Admin, Depot maintenance, track work, landscaping and building restoration or working on our locomotives and rolling stock. We also require volunteers on our excursions & tours for roles such as locomotive servicing crew, excursion management, hospitality, customer service along with many pre trip preparations.

Our Depot is usually open from Monday to Saturday but, is closed on Sundays and public holidays. The most popular workdays are Thursday and Saturday. If you are interested in becoming a volunteer or would like more information on volunteer positions with us, please fill out the box below and we will get in touch! If you are an existing volunteer – thank you for your ongoing support!

I want to volunteer and would be interested in doing the following:

Disclaimer: We welcome keen volunteers to join our team. For Health and Safety at our depot, if you have a disability or impairment that means you require help or are under the age of 14, Steam Incorporated requires that a parent, caregiver or other suitably qualified adult to accompany you.

Last of all please post this membership form to;
